

Today we are rejoicing with Heaven to see two baptisms happened in two different locations of our house church planting movement. 15 people got baptized! This is the first stage of their personal walk with Jesus. Our strategy is to continue to train them and to move them from being a believer into a trainer of the Gospel. We want to see them to repeat the model of the great commission – Matthew 28:19-20

**Our motto: Go to them – train them up – send them out**

This year 2016, we will start the school of leaders, is to train indigenous leaders, so that they can train other people in their own community about the Gospel of Jesus, and planting more house churches in their own neighboring villages. This year the Church Planting Movement of Light Church Cambodia is to see and plant 10 house churches by the end of 2017 in 10 villages, out of its entire vision of more than 200 house churches.

**Would you consider praying and partnering with us in many ways to fuel up this Church Planting Movement going nationwide in Cambodia?**
